\* An activity Harry and Bobby do in *The Wish Book Christmas*

The Smart Kings Challenge is inspired by *The Wish Book Christmas*, a Christmas story from bestselling author Lynn Austin. Learn more at [tyndale.life/TheWishBookChristmas](http://tyndale.life/TheWishBookChristmas).

In *The Wish Book Christmas*, Harry and Bobby mistakenly call the Wise Men “smart kings.”

Throughout the book, the two boys do kind things for their neighbors and friends to learn about the true meaning of Christmas and to emulate the Wise Men.
